

WEBINAR

Students & Staff of Technical University of Cluj-Napoca are invited to participate
'EXPLORE CENTRALE LILLE' INTRODUCTORY WEBINAR intended for the STUDENTS

on **DECEMBER 2, 2021**, FROM **12:30** TO **1:30PM** (PARIS TIME)

This 1-HOUR ONLINE PRESENTATION DELIVERED IN ENGLISH will give students an overview of the mobility opportunities offered by ÉCOLE CENTRALE DE LILLE (GENERAL ENGINEERING) and ÉCOLE NATIONALE SUPÉRIEURE DE CHIMIE DE LILLE (ENSCL-CHEMISTRY): English-taught programmes, non-degree exchanges, double degrees, etc. including information on applications and incoming mobility processes. The Director of Research, PR. PHILIPPE PERNOD, will be with us to provide details on the RESEARCH ENVIRONMENT AT CENTRALE LILLE: research centres, activities, equipments...

The presentation will be followed by a Q&A session with the whole team of our Office for International Relations.

Participants (student, faculty or staff) must register through the following link:
