

Dear students formerly or currently enrolled in Ukrainian higher institutions,

We are sorry that you are going through a crisis you surely never imagined when you started your studies!

The Technical University of Cluj-Napoca (TUCN) is ready to welcome you as students so that you may continue what you started in our neighboring country without delay.

For this, we have prepared this form for you so that you give us a hint on what you are interested in and we, the International Relations Office Team of TUCN, will process your request and get back to you shortly.

To complete the form with the specialization of your choice, you may find the list of programs currently available at TUCN here: <http://bri.utcluj.ro/documente/curricula.pdf>.

Wishing you a new beginning with hope and peace!

The IRO Team @TUCN
