Global Leadership

This summer school will provide students with a unique experience: interactive lectures, workshops, presentations of good practices and field trips. **During all summer school practices students will be able to ask questions, discuss and compare the newly acquired knowledge to the situation in their home countries.** Students will develop the ability to synthesize multiple perspectives on globalization and global leadership, strengthening their problem resolution and leadership skills. Participants will improve written, oral communication and presentation skills along with skills in debating, analyzing, formulating and defending arguments as well as case study analysis.

The proposed topics of the program

- Business Etiquette
- Cultural Diversity
- Social Behaviourism
- Emotional Intelligence
- Future Educational Challenges
- Upcoming Global Business and Social Challenges
- Impact of Cultural Differences on Organizations
- Social Entrepreneurship

2 weeks
4.5 ECTS
