March 12, 2018

10:00 AM - 2:00 PM LEADERSHIP IN THE AGE OF INDUSTRY 4.0 AND SMART FACTORY (PL)

Workshops for key companies in Wielkopolska Region organized in the project "Time for Professionals BIS - Professional Wielkopolska". Presented by:

PhD Eng. Marek Goliński

PhD Eng. Magdalena Graczyk-Kucharska

PhD Eng. Małgorzata Spychała

PhD Eng. Maciej Szafranski

The workshops are dedicated to the **major companies** of ECONOMIC - EDUCATIONAL WIELKOPOSKA NETWORK. **Registration deadline: 11.12.2017.**

2:00 PM - 3:00 PM LUNCH BREAK

For participants of the workshops "Leadership in the Age of Industry 4.0 and Smart Factory".

**SCOTT ERICKSON, PROFESSOR OF MARKETING
IN THE SCHOOL OF BUSINESS AT ITHACA COLLEGE, NY**

3:00 PM - 4:30 PM ORGANIZATIONAL LEARNING AND KNOWLEDGE MANAGEMENT IN THE AGE OF BIG DATA (ENG)

Scott Erickson is Professor of Marketing in the School of Business at Ithaca College, Ithaca, NY where he has also served as Department Chair and Interim Associate Dean. He holds a PhD from Lehigh University, Masters degrees from Thunderbird and SMU, and a BA from Haverford College.

Professor Erickson has published widely on big data and business analytics, intellectual capital and knowledge management, and competitive intelligence. He just completed a year studying knowledge networks related to sustainability as a Fulbright–National Science Foundation Arctic Scholar at Akureyri University, Iceland. Previously, he served as Fulbright Visiting Research Chair at the Moniesen Center for the Study of Knowledge-Based Enterprises at Queen's University in Kingston, Ontario, Canada.

Previously his new book, *New Methods in Marketing Research and Analytics*, was recently published by Edward Elgar.

Open lecture

DAY 2

March 13, 2018

1ST INTERNATIONAL SCIENCE CONFERENCE - COMPETENCES IN THE AGE OF A SMART WORLD

(CASW) under the motto "The acceleration method of development of transversal competences - results of research and analyses"

09:00 AM - 09:30 AM **REGISTRATION, COFFEE**
09:30 AM - 10:00 AM **WELCOME SPEECH (PL&ENG)**

Rector of the Poznan University of
Technology
Professor TOMASZ ŁODYGOWSKI

Dean of Faculty Engineering
Management
Poznan University of Technology
Professor MAGDALENA WYRWICKA

Representatives of Cooperation
Entities

10:00 AM - 12:00 AM **PLENARY SESSION (PL&ENG)**

Professor Adam Hamrol, Poznan University of Technology, Poland
Competences for the Future

PhD. Eng. Maciej Szafranski, Poznan University of Technology, Poland
The acceleration method of development of transversal competences
in the students' practical training process - results of research and analyses

Ula Furman, University of California, Berkeley, USA
A Student As a Natural Entrepreneur: the Link between the Silicon Valley
and the Bay Area Universities

Professor / Expert
Topic of the speech

The conference is dedicated to the scientist as well as to the business representatives and other institutions related to labour market or education. [Registration deadline is on 11.12.2017.](#)

ACCELERATE
TRANSVERSAL
COMPETENCES

Erasmus+

DAY 2

March 13, 2018

CASW 2018

COMPETENCES IN THE AGE OF SMART WORLD

12:00 PM (NOON) - 12:30 PM BREAK
12:30 PM - 1:30 PM SESSIONS

SESSION 1 (PL&ENG)

Practical and methodical session concerning but not limited to:

- entrepreneurship,

DAY 3

March 14, 2018

9:00 AM - 3:00 PM PROJECT MEETING (ENG)

Details of the 6th transnational project meeting [only for the Partners of the Project](#).

CONFERENCE CHAIRS

Professor Władysław
MANTURA, Chair

Professor Magdalena
WYRWICKA, Co-Chair

Professor Adam HAMROL,
Co-Chair

SCIENTIFIC COMMITTEE

Professor Leszek Kiełtyka, Czestochowa University of Technology, Poland
 Professor Mojca Duh, University of Maribor, Slovenia
 Professor Zbigniew Antczak, Wroclaw University of Economics, Poland
 Professor Kazimierz Perechuda, Wroclaw University of Economics, Poland
 Professor Stanisław Trzcieliński, Poznan University of Technology, Poland
 Professor Leszek Pacholski, Poznan University of Technology, Poland
 Professor Waldemar Jędrzejczyk, Czestochowa University of Technology, Poland
 Professor Robert Kucęba, Czestochowa University of Technology, Poland
 Professor Jernej Belak, University of Maribor, Slovenia
 Professor Iwona Chomiak-Orsa, Wroclaw University of Economics, Poland
 Vanda Maráková, Docent, PhD, Eng., Matej Bela University in Banska Bystrica, Slovakia
 Tjaša Štrukelj, Docent, PhD, Eng., University of Maribor, Slovenia
 Anna Vaňová, Docent, PhD, Eng., Matej Bela University in Banska Bystrica, Slovakia
 Kamila Borseková, PhD, Matej Bela University in Banska Bystrica, Slovakia
 Mariusz Branowski, PhD, Eng., Poznan University of Technology, Poland
 Beata Butryn, PhD, Wroclaw University of Economics, Poland
 Marek Goliński, PhD, Eng., Poznan University of Technology, Poland
 Magdalena Graczyk-Kucharska, PhD, Eng., Poznan University of Technology, Poland
 Edyta Kulej-Dudek, PhD, Eng., Czestochowa University of Technology, Poland
 Małgorzata Spychała, PhD, Eng., Poznan University of Technology, Poland
 Maciej Szafrąński, PhD, Eng., Poznan University of Technology, Poland
 Katarína Vitálišová, PhD, Eng., Matej Bela University in Banska Bystrica, Slovakia
 Ewa Więcek-Janka, PhD, Eng., Poznan University of Technology, Poland

ORGANIZING COMMITTEE

Magdalena Graczyk-Kucharska - Chair
 Izabela Lewandowska - Co-Chair
 Maciej Szafrąński
 Marek Goliński
 Małgorzata Spychała
 Ewa Więcek-Janka

Klaudyna Bogurska-Matys
 Zbigniew Wodarczak
 Krzysztof Jakubiak
 Magdalena Diering
 Daria Rosińska

IMPORTANT DATES

11.12.2017 Recruitment for all IDCF events
Registration with paper and publications regarding to sessions 2 and 3
11.12.2017 Submission of the title and abstract of the paper and/or presentation (1000-2000 signs)
31.12.2017 Notification of acceptance
10.02.2018 Submission full scientific article for publication
27.02.2018 Deadline of payment

PARTICIPATION IN ALL IDCF EVENTS IS FREE OF CHARGE EXCEPT FOR SCIENTIFIC SESSIONS 2 AND 3

Registration fees for scientific sessions 2 and 3 (13 March, 2018)

- researchers wishing to have their academic articles published (fee 160 EUR or 680 PLN)
- researchers wishing to deliver a presentation during the academic session (fee 80 EUR or 350 PLN)

We encourage you to submit articles in international teams.

Scientific papers will be published in best ranked polish journals and highest-scoring monographs.

The number of participants is limited. Confirmation of participation will be sent after the end of the recruitment.

**INTERNATIONAL DAYS
OF COMPETENCES
FOR THE FUTURE**

12 - 14 March 2018

The Faculty of Engineering Management at Poznan University of Technology

has the pleasure of inviting you to

THE 1ST INTERNATIONAL SCIENCE CONFERENCE - COMPETENCES IN THE AGE OF A SMART WORLD

under the motto "The acceleration method of development of transversal competences
in the students' practical training process – results of research and analyses"

Patronage

Rector of Poznan University of Technology Mr. prof. Tomasz Łodygowski

Marshal of the Wielkopolska Region, Mr. Marek Woźniak

Major of Poznan City, Mr. Jacek Jaškowiak

Chairperson of Polish Academy of Science, Mr. prof. Zenon Wiśniewski

The aim of the conference is the interdisciplinary discussion related to competences for the future of learning organizations, an ever-changing economy and job market requirements. The detailed aim of the conference is the integration of representatives of academic circles from a variety of countries such as the USA, Slovenia, Slovakia, Finland and Poland, who will share their research outcomes and conclusions concerning competences for the future in learning organizations. The issues listed below represent a range of the most important problems that require in-depth analysis and empirical verification.

Suggested conference problem areas:

- Knowledge management, managing competences in a learning organization, an intelligent organization, competences in smart cities, a smart organization, smart factories, smart networks;
- Managing competences for the future in individual and organizational dimensions;
- Learning organizations – professional and social competences;
- Quality in the context of competence and knowledge management;
- Process automation in public institutions, private institutions and businesses including, among others, Industry 4.0;

**INTERNATIONAL DAYS
OF COMPETENCES
FOR THE FUTURE**
12 - 14 March 2018

- Leadership in intelligent organizations;
- Effectiveness of methods improving competences for the future;
- Innovativeness as the main competence for the future.

ORGANIZATIONAL INFORMATION

Conference date and venue

13 March 2018

Conference Centre of Poznań University of Technology
ul. Piotrowo 2, 60-965 Poznań

Form of participation

Depending on the number of registered participants, an open debate and a debate in thematic sections can be held. In thematic sections, presentations are expected to last about 15 minutes (contingent on the final arrangement of the conference).

As for the conference, we offer **two forms of participation**:

- 1) a conference presentation with the possibility of having it published in the form of an academic article by Springer (pending confirmation)
- 2) participation with the possibility of a presentation in thematic sections (without publishing).

Important dates:

11 December 2017 – registration for the conference

11 December 2017 – **sending the title of a presentation along with an abstract** (1-2 pages)

31 December 2017 – information on the acceptance of the title and abstract of an article

15 February 2018 – deadline for submitting full articles to be published

You can easily and without extra payment attend in additional events of IDCF.

The **registration form** can be found on: : www.idcf.put.poznan.pl

Conference places are limited. The registration confirmation will be sent after registration for the conference has been closed.

INTERNATIONAL DAYS
OF COMPETENCES
FOR THE FUTURE
12 - 14 March 2018
