

Call For Papers

SCIECONF 2014

The 2nd edition of Scientific Conference (SCIECONF)
June, 9. – 13. 2014

Full Paper Submission Deadline: May 6., 2014

SCIECONF 2014 (June 9. – 13., 2014) is an International Virtual Conference organized on behalf of Scientific Community. This event provides valuable, professional feedback for researchers, student, and practitioners in smart and effective way. The conference will be held online as virtual conference at the address www.scieconf.com.

Essential Information

- All submitted papers will go through at least two evaluation processes: (1) single-blind peer-to-peer reviewing (at least two reviewers), (2) single-blind technical check.
- Authors making submission and reviewers will have access to other submissions during the conference dates to review and comment them.
- All accepted papers will be published in the conference proceedings with ISSN and ISBN.
- Published papers will be included into Open Access Online conference Archive.
- Authors of the best 20%-25% of the papers presented at the conference will be invited to extend their papers for their publication in International Scientific Journals.
- We cover full conference service.

Conference proceedings of SCIECONF 2014 will be sent for evaluation into major indexing and abstracting databases.

Participate

- Participate as author, and we ensure you to receive professional feedback and effective propagation of your results.
- Participate in reviewing process – be important part of Scientific Committee.
- Be our partner – please help us to spread our ideas and share information about our events to your colleagues.
