

# ICECE'2015

## IX International Conference on Engineering and Computer Education

May 10-13, 2015, Zilina – SLOVAKIA

**Technology Education for the Future: from simple Growth to Sustainable Quality of Living**

<http://www.copec.eu/icece2015/>

**Organized by: Science and Education Research Council (COPEC)**

**Host: University of Zilina**

**Scientific Program:** The duration of the Congress will be four days. The scientific program will include:

- . Workshops
- . Plenary Sessions
- . Oral presentations
- . Panels and Round-Table meetings

**Paper submission:** Prospective participants are invited to submit by homepage an abstract. After the notification of acceptance of the work, the author should send and submit the Full Paper or the WIP, both in .DOC format or .DOCX format via homepage. For more details including the template access <http://www.copec.org.br/icece2015>

A Work-in-Progress-Paper (WIP) for which a two-page (maximum) paper will be submitted. A WIP describes preliminary developments of an on going project in its infancy that involves state-of-art, implementation, creative pilot programs, or nontraditional concepts. It must contain the details of the scientific and/or educational feasibility of the project, including expected outcomes.

**Proceedings and Book of Abstracts:** The proceedings and the book of abstracts of the congress will be published on-line and will be available at the time of the congress. Both will be registered in ISBN with international validity, besides the proceedings have ISSN because they are also a periodic.

**Congress Language:** English, Spanish and Portuguese will be the official congress languages.

**Social Program:** Welcome Party, Congress Banquet and cultural sessions are planned.

**Workshops:** During the Congress, some workshops will be offered. The Full Program will be available at the homepage: <http://www.copec.eu/icece2015>

**Objectives:** This congress will provide a major international forum for the exchange of information on research into and recent developments in the improvement of education in all Engineering and Technology fields. During the Congress, the curriculum guidelines will also be discussed as well as the integration between the world market and Engineering and Technology Education.

**Topics:** The Congress topics include, but are not limited to:  
Accreditation and Quality Control  
Continuing Engineering and Technology Education  
Curriculum Development  
Diversity in Engineering and Technology Education  
Engineering and Technology Education Research  
International Aspects of Engineering and Technology Education  
Language and Humanities in Engineering and Technology Education  
Mathematics and Natural Sciences in Engineering and Technology Education  
Professional, Ethical and Social Responsibility  
Teaching Qualification in Engineering and Technology Education  
Other (You may submit abstracts and proposals on other topics.)

**General Chair:** Claudio da Rocha Brito

**Technical Program Chair:** Melany M. Ciampi

**Local Chair:** Tatiana Corejová

**Vice Local Chair:** Radovan Madlenák

**Address for Correspondence**

Prof. Dr. Claudio da Rocha Brito

General Chair of ICECE'2015
