According to the "Admission procedure for international citizens from EU third countries for studies in accredited educational institutions from Romania" approved by the Senate of the Technical University of Cluj-Napoca gathered on 20.06.2014, "Tuition Fees Procedures" approved by the Management of the university for each year of study and the Administration Council decision No 249/17.12.2013, the following STATEMENT is drawn up:

STATEMENT

- I, the undersigned, declare that all the documents in my enrolment file are authentic. In case they are found false or modified in any way, I will be expelled, the fees will not be refunded and the Authority for Foreigners will be announced about the situation.
- I oblige myself to have no financial claims during the semester with regard the study fees paid 9 months in advance at the beginning of each year of study.
- In case I wish to withdraw from studies at the end of the first semester of the current academic year, the Technical University of Cluj-Napoca shall refund me $\frac{1}{2}$ (half) of the total fee paid 9 months in advance.
- In case I don't pay the tuition fee until 15 of October, I support penalties 0,1% for each day of delay.
- In case I decide to withdraw from studies at the end of the academic year, I will have no financial claims with regard the study fees.
- In case I have to repeat a year of study, my fees are calculated according to the decision No.249/17.12.2013.
- In case I decide to withdraw from studies, I understand that the Immigration Office will receive a note from the university in this regard, and according to the law, my resident card as student will no longer be valid. I also understand that the consequence of my withdrawal from studies will lead to losing my right to stay legal in Romania.
