## Application Guide for HUST 2024 Summer Schools

2024 Chinese language+AI Robot Summer Program, will be held between June 17 and July 12, 2024, in Wuhan, China!

Besides, Tongji medical colleage, HUST, will also hold a summer program named: Chinese language + traditional Chinese medicine, which will be held between August 3 and August 30, 2024.

Please check the website for details at: http://iso.hust.edu.cn/info/1194/4446.htm [1]

2024 summer program is open for applications for HUST partners, and students from diverse background will gather into our campus for an immersed academic and cultural exchanges. It is also a great platform for the younger generations from around the world to get together.

We will also help your interested candidates to apply for funding from China Scholarship Council. For students that are interested to apply for the program and compete for funding, please fill in the link below:
